Win/loss information has been gathered using our Player Tracking System. It is intended to be used as an estimate of your win/loss and is provided as a courtesy and is not an official tax document. The information is based on player-tracking information which included only win/loss from slot play when a player’s club card is inserted in a slot machine and points added from table game play. It may not accurately reflect the amount of a player’s win/loss if the player does not play with a player’s card inserted into a slot machine. Although this information can be considered a reliable estimate of the win/loss from rated play, TROP Casino Greenville is in no way responsible for the use or interpretation of said document.

*I do hereby certify that the information contained above is true and correct, and I authorize Trop Casino Greenville to provide me a Win/Loss Statement of my Trop® Advantage Club account tracked gaming activity. *I further understand that the information requested is generated from a player’s tracking system based on my Trop® Advantage Club account history and is not intended to be, or take place of, my own records of my gaming activity. Trop Casino Greenville makes no representation or warranty, express or implied, as to the accuracy of this information or its effectiveness as proof of winnings and losses.*
